### Content:

Jesus Christ performed the ultimate act of being ALL IN when He sacrificed His life by dying on a cross for the sins of all mankind (John 3:16). It was His unselfish act that gave each of us the opportunity to receive Him by faith and live a new life. What He wants in return is for us to live ALL IN for Him. Galatians 2:20 says, “*I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me*”. Making a commitment to live ALL IN starts when you surrender your life to Jesus and allow His Spirit to live inside of you, but that is only the beginning of what God wants for us. God wants us to surrender to Him daily so He can truly live through us in this world.

Many of us in America often find ourselves caught up in the busyness of life and forget that we have a purpose that goes beyond having a successful career or even raising a family. We can't truly fulfill that purpose and live the lives we were born to live unless we surrender to Christ within us daily. God has a plan for everyone who is committed to Him. In Eugene Peterson's “The Message” translation, it says in 2 Chronicles 16:9, “*God is always on the alert, constantly on the lookout for people who are totally committed to him.*” Are you intentional about yielding to God's will daily? Are you living the life you were born to live or have you settled for something less?
